# ORGANISATION STRUCTURE

## **MISSION**

We engage with individuals, families, and community groups by facilitating knowledge, skills, and resources, encouraging their active participation to unlock their potential and drive meaningful, lasting change.

## VISION

To inspire and empower individuals and community groups to unlock their full potential and create meaningful, lasting impact.

## IMPACT OF THE ORGANIZATION

The impact of all its programmes remains on providing people a helping hand and a working environment conducive to team, grow and act. It aims at enabling people to realize their full potentials and empowering them to execute programmes of their development by thinking together, planning together and acting together. For this purpose, it tries to mobilize people to shoulder responsibility through creating awareness, changing attitudes, building and enhancing their capabilities.

## PRIORITY AREA

- From very beginning we, at NCHD&IT, believe that development has to be holistic, to bring real fruits to the needy, public health, education, women empowerment, community development, Environment, Communication and Information Technology, Entrepreneurship and Entrepreneurial development, Care of the aged, disabled and destitute and social welfare continue to be prime areas of our work. We wish to bring sustainable change on the ground by focusing our energies in these sectors as well as building our understanding about related issues. We, at NCHD&IT, firmly believe that a conducting and productive environment cannot be achieved unless all parameters of the development equation are adequately addressed.

# A MULTI-PRONGED APPROACH:

## **LIVELIHOOD: Large Cardamom Cultivation**

Cardamom cultivation is one the major activity taken up by the Joint Liability Groups in two districts of Mon and Kiphire since from 2011. The Cardamom cultivation in Kiphire district is new unlike in Mon district. After the Harvest and post harvest training last year the farmers are now cultivating in technical knowledge and support. The farmers are now aware and having a vast knowledge on cardamom cultivation. The supplying of sucker cardamom from Kiphire district are now disturbed to other district of Nagaland. Cardamon has become a huge success which now the other district are adapting it and following it. The market on cardamom is going very fine but still working hard as the finishing product is still need to improve. For this we are Seeking supporting from Spice board Department to support the farmers to come out with the quality finishing product.

# ORGANIC GREEN TEA CULTIVATION AND TRAINING ON TEA MANAGEMENT AND TEA PROCESSING

- NCHD& IT has been working with 40 Joint Liability Groups (JLGs) in Mon district with objective to improve the tea cultivation and to promote market after the training. The farmers started making hand role organic green tea for which the organization supported the groups in marketing. They are encouraged to make use of the unused land for the tea cultivation.

## SUPPORT EDUCATION, MEDICAL AND NUTRITION FOR UNPRIVILEGED CHILDREN:

- A collaboration with Child Help Foundation, in which we mobilized through Campaign and fund raising, in aid of the unprivileged children for their education and medical treatment, calamity and victim relief in Nagaland. The programme is to be abreast with time, to empower the underprivileged children to lead a dignified quality life, to be an equal opportunity provider for the under privileged children. This program came into existence by spreading over 10 states of India namely Maharashtra, West Bengal, Karnataka, Odisha, Tamil Nadu, Haryana, Andhra Pradesh, Delhi, Telangana and Nagaland -Northeast.

## LEARNING CENTER FOR SCHOOL DROPOUT AND ONGOING CHILDREN:

- With support from Wipro Foundation we work with schools to improve quality of education and with community to strengthen their ownership and engagement with schools in kiphire District,Nagaland.
